First In Restoration co-sponsors America 250 Celebration

First In Restoration, a leader in water, mold and fire remediation, is proud to be a co-sponsor of the America 250 Celebration at Acworth Beach at Cauble Park, July 5.

“As a military veteran, I’m proud to be involved with the America 250 Celebration,” First In Restoration founder David King said. “It’s going to be a great day where everyone can come together, enjoy some music, eat some great food, and celebrate our country’s 250th birthday. It’s going to be quite a day.”

The American 250 Celebration will start at 10 a.m. and run until 8 p.m.

The host for the day will be WSB Radio’s Shelley Wynter, whose program airs weekdays from 7-9 p.m. on WSB Radio (95.5 FM, 750 AM) and blends pop culture, politics and the Atlanta scene into a ride of voices and opinion. He brings humor, insight and unique viewpoints to the stories on your mind.

First In Restoration’s Colin Ogg is a member of the host committee and will be performing “The Star Spangled Banner” and “America the Beautiful” on the violin.

“It is going to be a wonderful opportunity for families to get together and enjoy a patriotic day at Acworth Beach,” King said. “This is a great way to make memories and I’m so pleased that First In Restoration is able to be a co-sponsor of such a great event.”
